TIERED SYSTEM OF FINANCIAL REPORTING FOR LOCAL PUBLIC BODIES¹

FORM FOR DETERMINING TYPE OF REPORTING REQUIREMENTS AND INDEPENDENT PUBLIC ACCOUNTANT (IPA) SERVICES NEEDED

Pursuant to Sections 12-6-2(B) and Sections 12-6-3(B) NMSA 1978, local public bodies (mutual domestic water consumers associations, land grants, incorporated municipalities, and special districts) may be subject to different types of financial reporting requirements. This form should be used by all local public bodies to determine what type of professional services they are required to procure from an independent public accountant for fiscal years ending on or after June 30, 2010.

STEP ONE: Determine whether an incorporated municipality associated with a housing authority should include or exclude the housing authority when completing this form. Check the ONE box below that applies to your municipality. If your local public body is not a municipality, then proceed to STEP TWO below.

- If the municipality has a housing authority that is a component unit, then the component unit housing authority must procure a separate audit pursuant to 2.2.2 NMAC because it is not a local public body under the tiered system. The municipality should check this box and proceed to Step Two of this form. The tiered system may apply to the municipality, excluding its component unit housing authority.
- If the municipality has a housing authority that is a department, then the municipality should check this box and proceed to Step Two of this form. The tiered system may apply to the municipality, including its housing authority department.

STEP TWO: Determine expenditure of federal funds and application of the tiered system. Check the ONE box below that applies to your local public body:

- If your local public body (including a component unit housing authority, if applicable) expended \$750,000 or more in federal funds and is required by the grantor to obtain a single audit of the financial statements and federal funds in accordance with the Uniform Guidance for Federal Awards, then check this box and you are done with this form. The tiered system does not apply to your local public body. If you must obtain an audit of your financial statements.
- If your local public body expended \$750,000 or more in federal funds and elects to obtain a program-specific audit in accordance with the Uniform Guidance for Federal Awards, then check this box and proceed to Steps Three and Four of this form. The tiered system may apply to your local public body.
- If your local public body (including a component unit housing authority, if applicable) did not expend \$750,000 or more in federal funds, then check this box and proceed to Steps Three and Four of this form. The tiered system may apply to your local public body.

STEP THREE: Determine your local public body's revenue and capital outlay award expenditures (if any) for the fiscal year:

My local public body's **total revenues (on a cash basis, excluding capital outlay funds, federal or private grants)** were \$ _____ for the fiscal year to which this recommendation applies, which is _____ (fiscal year end).

¹ Section 12-6-2(B) of the Audit Act (effective July 1, 2010) defines "local public body" as a mutual domestic water consumers association, a land grant, an incorporated municipality or a special district.

If applicable: My local public body's total capital outlay award was \$ _____ and my local public body's total expenditure(s) of that award was \$ _____ for the fiscal year to which this recommendation applies, which is _____ (fiscal year end). Note: Please do this calculation for each separate capital outlay award your local public body expended.
