Hello Elise,

Reading through the proposed text I encountered a clear, and rather trivial, oversight that needs to be corrected.

At Page 17 we find the following;

(vii) the indigent care schedules for hospitals pursuant to Subsection F of 2.2.2.12 NMAC; and

As the referenced Subsection F has been deleted, this is clearly incorrect.

Also, please put me on the notice list for future hearings, as provided for the Rules Act.

Regards,
